ProControl+
Initial Setup Guide

PYRONIX
HIK**VISION**

www.pyronix.com

1. Download App

Download the ProControl+ app and install on your smart device. Scan or select the correct QR code above or type 'Pyronix' in the relevant store to search for ProControl+.

System Requirements

Apple devices with iOS 10 and above.

Android devices with Android 4.0 (Ice Cream Sandwich) and above.

2. Obtain Information

To connect ProControl+ to the control panel, you will need two key pieces of information, the **'System ID'** and the **'App Password'**. This information can be easily obtained in the Master Manager Menu.

|	
Press ⬚D⬚ and then enter your **Master Manager Code**.	```ENFORCER``` ``` Time 10:09 c```
When 'SET TIME & DATE' is on the LCD, press ⬚NO⬚ until **'SET UP APP DATA?'** is displayed.	```SET DATE & TIME?```
Press ⬚YES⬚ to go into this menu, ⚠ **Be careful not to change settings in this menu.**	```Set Up App``` ```DATA?```
Press ⬚YES⬚ to continue.	```Use App``` ```Yes [1]```
Take note of the **System ID**. Once noted, press ⬚YES⬚ until **'App Password'** appears.	```System ID:``` ```ABCDEFGH```
Take note of the **App Password**. Once noted, repeatedly press ⬚NO⬚ until the display shows **'EXIT MANAGER MENU?'**.	```App Password``` ```Pyronix```
Press ⬚YES⬚ to exit.	```EXIT MANAGER``` ```MENU?```

# 3. Registering to the ProControl+ Server

Select **'Register'**.

Read the 'Terms of Service' and 'Privacy Policy' then tap **'Agree'** to advance.
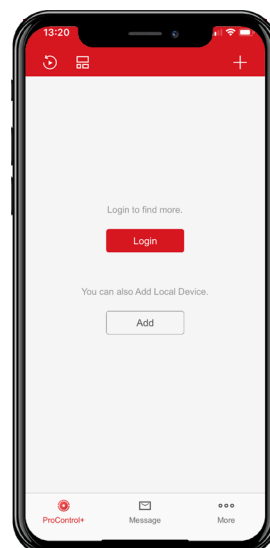

To register with your **mobile phone number**, enter it then press **'Get Verification Code'**. **OR**

If you would prefer to register with your **email address**, press 'Register by Email Address' at the bottom, enter your email address then press **'Get Verification Code'**.
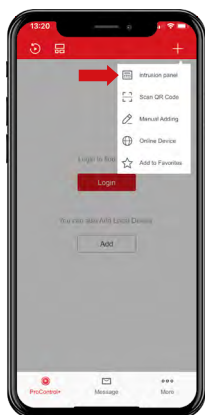

A verification code will be sent via **SMS or email**, enter it now and press **'Next'**.

You have now successfully created a **ProControl+ service account**.
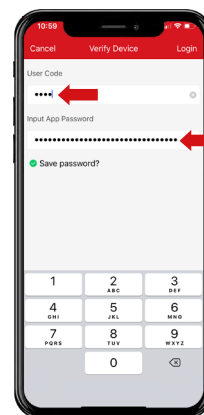

4. Adding your Alarm System

Tap **'+'** in the top right corner and select **'Intrusion panel'**.

Enter an **'Alias'** (how the system will appear on your homescreen) and the **'System ID'**.

The system is now on the homescreen. To **connect**, tap the panel.

Enter your **'User Code'** and the **'App Password'** then tap **'Login'**.
